FUTURE OF MEXICO'S RELATIONS WITH ITS NEIGHBORS

Mexico's border with Central America, as well as the border it shares with the U.S., has been a pathway for people, goods, crime and contraband in both directions. How can Mexico address these transborder challenges? What is the future of Mexico's relations with its northern and southern neighbors? How will Mexico's foreign relations affect its domestic politics?

U.S. NATIONAL SECURITY AGENDA IN THE HORN OF AFRICA

U.S. national security priorities were expanded after 9/11, to include waging war in Iraq and Afghanistan, tightening border security, halting nuclear proliferation and attempting to snuff out homegrown terrorism. How has the U.S. national security agenda evolved since 9/11? In what ways will this agenda shape the American way of life in the future??
